Stock Certificates are to be numbered in the same order as the money is received by the Club. After the probationary period has ended and the newly elected Stock Owning Member's membership has been approved by the Board of Directors, the Stock certificate will be immediately issued.

If the Board of Directors elects to terminate the newly elected Stock Owning member's membership during their probationary period, all monies received from the newly elected Stock Owning Member for initiation fees will be returned in full within 30 days.

Section 6 - Procedure for the Sale of Stock Certificates by Stock Owning Member

Procedure for the Sale of Stock Certificates by Stock Owning Member

If a Stock Owning Member wishes to sell his stock to a party other than the Club, he shall provide written notification to the secretary of his intent and indicate desired price and terms of the sale.

Upon receiving notice from a Stock Owning Member wishing to sell his stock ("Selling Stock Owning Member"), the Secretary shall notify all Stock Owning Members and Non-Stock Owning Members of the price and terms regarding the stock sale, and the Selling Stock Owning Member's slip assignment.

For thirty (30) days following the mailing by the secretary of the notification of stock for sale, all Stock Owning Members shall have the right to trade slip assignments with the Selling Stock Owning Member. Such trades shall be subject to the sale of the stock of the Selling Stock Owning Member. If more than one Stock Owning Member desires the slip assignment of the Selling Stock Owning Member, the Stock Owning Member holding the lowest numbered stock certificate shall prevail.

For thirty (30) days following the mailing by the secretary of the notification of stock for sale, all Non-Stock Owning Members shall have the right to acquire the sale stock at the price and terms requested by the Selling Stock Owning Member.

If within the prescribed thirty (30) day period during which Non-Stock Owning Members may submit offers to purchase the sale stock, the Selling Stock Owning Member receives no such offer, then the Selling Stock Owning Member may offer the sale stock to a non-Member. The Club shall have a right of first refusal for the purchase of the stock prior to the sale of the stock to any member of the general public, in accordance with Article IV, Section 4 of the By-Laws; and shall otherwise retain the rights set forth in any Stockholder's Agreement in force. However, the purchase by such non-Member is subject to the Membership Committee and the Board of Directors approving the non-Member for Club membership. If the Selling Stock Owning Member receives more than one offer from a non-Member pursuant to this paragraph, the Selling Stock Owning Member shall have the right to sell to the non-Member submitting the highest offer to purchase, subject to the Membership Committee and Board of Directors approving the non-Member for Club Membership.

Any sale of stock must be made at the price and on the terms disclosed to the Club and/or its Members in the process of offering the stock for sale. Any counter-offer or other change in the price or terms of any proposed sale shall constitute a new proposal for the sale of stock, and the Stock Buying Member must begin anew the entire process set forth in these By-Laws and in any Stockholder Agreement.

Upon the consummation of the sale of the Selling Stock Owning Member's stock to a Non-Stock Owning Member or properly approved non-Member, the purchaser of the stock (the "New Stock Owning Member") shall make payable to the Club a membership initiation fee equal the greater of:

1. Twenty percent (20%) of the gross proceeds of the sale price of the sale stock, or
2. \$12,500

If the Club membership of the New Stock Owning Member is terminated during the New Stock Owning Member's probationary period, he shall offer the stock for sale at the last sale price of any outstanding share of Stock. Indemnification of Directors. Officers and Employees

Actions in the Best Interest of the Club. The Club shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Club) by reason of the fact that he or she is or was a director, officer, employee, or agent of the Club or is or was serving at the request of the Club as a director, officer, employee or agent of another foundation, corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Club and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the Club and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Actions by or in Right of the Club. The Club shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Club to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the Club or is or was serving at the request of the Club as a director, officer, employee or agent of another foundation, corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Club, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of a duty to the Club unless and only to the extent that the Court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case that he or she is fairly and reasonably entitled to indemnification for such expenses which the Court shall deem proper.

Expenses. To the extent that a director, officer, employee or agent of the Club has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the paragraphs above or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Determination of Indemnification. Any indemnification under the paragraphs above (unless ordered by a court) shall be made by the Club only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the paragraphs above. Such determination shall be made (i) by the Board of Directors by a majority vote consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion. Notwithstanding the failure or refusal of the directors or counsel to make provision therefore, such indemnification shall be made if a court of competent jurisdiction made a determination that the director, officer, employee or agent has a right to indemnification hereunder in any specific case upon the application of such director, officer, employee or agent.

Repayment of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding described in the paragraphs above may be paid by the Club in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Club.

Insurance. The Club shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Club or is or was serving at the request of the Club as a director, officer, employee or agent of another foundation, corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him or her or the Club and incurred by him or her or the Club in any such capacity, or arising out of his or her status as such, whether or not the Club would have the power to implement the provisions of this Section.
